Application No: P/00610/15

Parish: Ryde Ward: Ryde East

Increase of height of the existing mast from 17.3m to 27m; replacement of 6 no. existing antennas with 9 no. new antennas; installation of 2 no. new 300mm dish antennas; associated ancillary works

Location: Busy Bee Garden Centre Ltd, Brading Road, Ryde, Isle of Wight,

Decision: Refuse Plan Perm (or not issue Cert)

It is considered that the proposal, because of its excessive height, would be a visually intrusive and harmful development that would have an adverse effect on the character and appearance of the area and the wider landscape. In the absence of a robust justification the application is considered to be contrary to the aims of policies DM2 (Design Quality for New Development) and DM12 (Landscape, Seascape, Biodiversity and Geodiversity) of the Island Plan Core Strategy.

Ryde Town Council considered this application and does not object to this application subject to the following condition being imposed: The mast hereby permitted shall have a 'black' or 'ivy' green external colour, unless approved in writing by the Local Planning Authority.

Decision: Granted Plan Permission (or issue Cert)

Ryde Town Council did not object to the removal of this condition

Application No: P/00644/15

Parish: Ryde Ward: Ryde North West

Proposed alterations; extension at 1st floor level to form additional accommodation

Location: 22 Argyll Street, Ryde, Isle of Wight, PO33 3BZ

Decision: Granted Plan Permission (or issue Cert)

Ryde Town Council considered this application and resolved to object to this application on the following grounds:

The proposed extension would lead to a detrimental impact upon the amenity of the neighboring dwelling 20 Argyll Street. The size and proximity of the extension would create an overbearing impact upon number 20 that by its development would create a cumulative impact due to the location and setting of 18 Argyll Street.

Therefore, this proposal would not comply with Policy DM2 (Design Quality for New Development) of the Island Plan Core Strategy.

The application does not make any reference to the Solent Special Protection Area SPD. The creation of additional bedrooms as 'sole or main' residence of the occupiers within 5.6km of the SPA without an appropriate assessment or justification why mitigation should not be provided has not been carried out.

A full copy of the decision notice will be sent to Members as requested.
