Week 06/11/2015

Application No: P/01104/15

Location: 33 Dover Street, Ryde, Isle Of Wight, PO33 2BW

Parish: Ryde Ward: Ryde North East

New dormer window on rear elevation; alterations to roof and existing dormer to include replacement roof covering and replacement roof lights

Decision: Granted Plan Permission (or issue Cert)

Ryde Town Council did not raise an objection to this planning application.

Application No: P/01100/15

Location: 23 Queens Road Ryde Isle Of Wight PO333BG

Refuse Plan Perm (or not issue Cert)

The proposed dormer by virtue of its excessive size, scale, bulk and design would be an incongruous feature in the street scene, and detract from the character and amenity of the Conservation Area. The dormer would fail to complement the design of the main dwelling, therefore resulting in a negative impact upon the character and amenity of the application property. The proposal would be out of keeping with surrounding dwellings and fail to enhance the Conservation Area. Therefore, the dormer would not be in accordance with Policies DM2 and DM11 of the IPCS.

Ryde Town Council resolved to object to this application on the basis that the dormer window proposed does not have regard to existing constraints such as the Conservation Area and does not complement the character of the surrounding area in accordance with policy DM2 of the Core Strategy.

Week 13/11/2015

Application No: P/01138/15

Location: Salvatore's, 21 Player Street, Ryde, Isle Of Wight, PO332JB

Proposal: Alterations and change of use for form 2 residential dwellings

Decision: Granted Plan Permission (or issue Cert)

Ryde Town Council did not object to this application.

Application No: P/01095/15

Location: 38 Union Street, Ryde, Isle Of Wight, PO332LJ

Proposal: Alterations to ATM

Decision: Refuse planning permission

Reasons: The proposed alteration to the facade of the building would harm the special architectural and historic interest of the listed building and the character and appearance of the conservation area. The proposal is therefore considered to conflict with Policy DM2 (Design Quality for New Development) and DM11 (Historic and Built Environment) of the Isle of Wight Council Core Strategy Island Plan, fails to take into account the guidance within paragraphs 131, 132 and 134 of the National Planning Policy Framework and does not reflect the requirements of section 16 & 66 of the Planning (Listed Buildings and Conservation Areas) Act 1990. Therefore it is recommended that the works are refused.

Ryde Town Council did not object to this application.

Application No: P/01102/15

Location: Wright O, Victoria Crescent, Ryde, Isle Of Wight, PO331DQ

Demolition of conservatory; single/two storey side/rear extension to provide additional living accommodation.

Decision: Granted Plan Permission (or issue Cert)

Ryde Town Council resolved to object to this application on the basis that the extension is cramped and does not optimise the potential of the site and does not have regard to existing constraints such as the adjacent building which significantly contribute to the character of the area and does not complement the character of the surrounding area in accordance with policy DM2 of the Core Strategy

10. TREE DECISIONS

a) ST JOHN'S FARM COTTAGE, 14 MARLBOROUGH ROAD, RYDE

T1 Lime situated as detailed in the application to pollard to previous pollard points.

T2 Walnut situated as detailed in the application to reduce by 30% concentrating predominantly on the garden and house side.

However from a site visit it was seen that there were several snapped branches overhanging the garden. It is advised that these are removed to make the area safer.
