## **9. RYDE AREA ACTION PLAN (AAP)**

Fishbourne Parish Council are consultees to the Ryde Area Action Plan, the area of which does not necessarily follow the boundaries of Local Councils. Councillor Ivor Warlow has reported that the Parish Council has been working to inform their community area of the Plan. They are in a more advanced stage than Ryde and have enquired as to the progress made by the Town Council.

The TC has been in touch with the IWC Planning Policy Officer regarding consultation and now understands that work is not due to start on the Plan until 2014. The FPC has been informed that the TC will invite FPC representatives to any meetings on this subject. However, in advance of any consultative meetings with IWC it is felt that a dialogue should be established with FPC and that the TC would benefit from understanding the work that has been undertaken by Fishbourne PC.

Members are asked to bear this in mind as this topic will be on the agenda for the first meeting of the newly elected Ryde Town Council Planning Committee.

## **10. DATE OF NEXT MEETING**

The next meeting will be held on Tuesday 14<sup>th</sup> May, the day following the first meeting of the Town Council on 13<sup>th</sup> May.

Planning applications will be available for inspection 30 minutes before the meeting and can be viewed on line after [www.iwight.com](http://www.iwight.com) and on to "Residents Services"
