66/13 PROGRESS ON ACTION TAKEN

Royal York Hotel – Further to the report to Committee on 2nd April, the Conservation Officer, Lee Byrne had been told that it was felt that the IWC should be urged to maintain a dialogue with the owner and if this failed to take the necessary enforcement action. The views had been passed to the IWC Enforcement Team and Lee Byrne would continue to try to work towards a solution with the owner. However, members felt that the owner did not intend to remedy the continuing deterioration of the building.

RESOLVED that the IW Council be asked what is actually being done and what can be done and that the matter be considered again in one month with a view to recommending the taking of appropriate action to resolve the problem.

Damaged Pillar in Church Lane – Further to the report on 2nd April the Committee was pleased to note that the Conservation Officer had agreed a specification for repair

works to the pillar by St Thomas Church which were scheduled to commence on 13th May.

Ladies Walk, Ryde Golf Course

Councillor Graham Pearce had previously enquired about talks that he understood had taken place between representatives of the Ryde Golf Club and IW Council Officers. This query had been passed to the Rights of Way Officer who thought that it was probably relating to the possible improvement of the cycleway between Newport, Wootton and Ryde. At this stage, there had been no official consultation with the Town Council regarding this scheme.

RESOLVED that the IW Council be requested to keep the Town Council informed on this matter
