Formal notice has been received by the Town Council and it is suggested that the Committee should pass a resolution supporting this proposal.

8. ISLAND PLAN CORE STRATEGY

Two briefing sessions on the Island Plan Core Strategy have been organised for Parish and Town Councillors and their Clerks. They will cover :-

1. – What the change from UDP policies to Core Strategies mean.
2. - The content of the core strategy.
3. - The role of supporting documents and information.
4. - The timetable for future planning documents.

The sessions will be held at the Council Chamber, County Hall, Newport from 2pm to 4pm on Tuesday 6th March and from 6pm to 8pm on Monday 12th March.

All Local Councillors can attend and interested members have been asked to inform the Clerk of their preference.

The appointed Inspector has completed his independent examination into the Island Plan Core Strategy and found it sound. Once adopted by the IW Council it will replace the policies of the Unitary Development Plan and a recommendation to adopt the Strategy will be made to the IW Council in March.

The Inspector's report can be viewed on www.iwight.com/living_here/planning/images/IWCSFINALreportinclappendices.pdf or more simply by clicking on the word "here" on line 3 of the email which was forwarded to all Town Councillors earlier today. It amounts to about 48 pages and a hard copy will be available. It would appear from Annexe C to Appendix A that the amended table 5.4 for the Ryde Key Regeneration Area indicates that 2100 additional dwellings will be allocated for Ryde for the 15 year period of the Strategy . A figure of 1900 was included in the draft.

9. DATE OF NEXT MEETING

The next meeting has been scheduled for Tuesday 7th February 2012.
