127/12 PROGRESS ON ACTION TAKEN

Burning of waste materials on land near Smallbrook

Regarding the query at the last meeting the Environmental Health Department had said that a licence to burn materials has to be obtained from the Environment Agency. The local office of the Agency had been asked if one had been granted or requested.

Rosemary Common

The IWC Property Section had forwarded a copy of a map which appeared to show over 20 acres of land known as Rosemary Common as owned by the IWC and this would be compared to the Strategic Housing Land Availability Assessment Plan given by the Planning Policy Section. It was important to keep this common land which was not signposted or known by many people. Some work had been done on the Common a few years ago and the IWC Parks Department would be asked to signpost it at access points so that it would not fall into disuse.

145, High Street

Following a question at the last meeting it was reported that the use of these premises by a firm of funeral directors did not require consent for a change of use from Class A1 (retail)

Quarr Tree Preservation Order

At the last meeting the Committee was pleased to note that a Tree Preservation Order had been made to protect trees to the centre and to the south of "Fairways". It was felt that because of felling by the property known as "Beachwood" protection should so be given to other trees within the Area of Outstanding Natural Beauty .

Quarr Beach AONB – Complaints

The IWC Solicitor, Justin Thorne had agreed to meet the Mayor and the Chairman on 2nd August to discuss whether there might be a legal remedy to deal with complaints of decking, a fence and warning notice at Quarr Beach.

128/12 MEMBERS' QUESTIONS

131/12 P/00791/12 – SUGGESTED CONDITION

On 25th June the Committee objected to an application for a large detached garden building at 38, Mayfield Road as it did not like the corrugated fibre cement roof sheeting and were concerned at noise and nuisance from the workshop. The Case

Officer had suggested a condition to ensure that the building would be used for purposes incidental to the enjoyment of the existing dwelling house and not for industrial or commercial purposes. He also submitted revised samples of materials.

RESOLVED that the objection of the Town Council be withdrawn.

132/12 HIGHWAYS – TRAFFIC REGULATION ORDER

The Committee was asked if it does or does not support proposed changes to the Ryde Traffic Regulation Order 1/2012 before the IW Council formally advertises it.

There are 6 plans that are currently covered by temporary orders which exist on street:-

1. East Hill Road
2. Lind Street and Market Street
3. Argyll Street
4. Dover Street x 2
5. West Street and Swanmore Road

Additional new proposals were proposed at :-

6. Appley Road
7. Arundel Close
8. Circular Road
9. Edward Street
10. Great Preston Road
11. Meaders Road
12. Oakfield High Street and Oakvale
13. Partlands Close
14. Player Street
15. Reed Street
16. Somerset Road.
17. Spencer Road
18. St John's Wood Road
19. Victoria Street 1
20. Victoria Street 2
21. Westfield Park - (Mr Peter Bourne of the Westfield Park Residents Committee spoke on this proposal)
22. Pitt Street
23. Southfield Gardens

RESOLVED that :-

1. **No objection be raised to proposals numbered 1,2,3,4,5,6,7,8,9,10,12,13,14,15,16,18,19,20,22 and 23.**

2. Concern be expressed at problems that could occur with the proposed restriction in Meaders Road, necessary to secure access for emergency and refuse vehicles and the Committee hoped that additional land could be made available for parking in this area, or the road to be widened (no. 11)

3. The proposals for Spencer Road (no.17) would cause a “ blind bend “ if parking was stopped just on the section east of Copsefield Drive so it was felt that the no waiting at any time restriction should apply on both sides of the road on this section.

4. As there had been continuing and worsening problems with long term parking by commuters the suggestions of the Residents Committee be supported and that the no waiting at any time restriction be agreed and that it be suggested that the areas of no restriction in Westfield Park be restricted to 4 hours with no return within 24 hours.

133/12 DATE OF NEXT MEETING

The next meeting will be held on Monday 6th August and the meeting finished at 8.45pm.
