**8. LICENSING**

Coburgs, 70, Union Street – 038175

Stewart Penton has applied to vary the licence no 3422 for Coburgs ( formerly “The Squadron”). He states that the premises have been refurbished and modernised with the front bar (ambient music) and the rear bar ( live music) with extensive soundproofing and they are now catering for a predominantly older age group. The application seeks to replace certain conditions with others but these details do not appear on the website . It is probable that the Police and Licensing have been consulted on this so they will be asked for their advice before the Committee gives an opinion or not.

An internal notification has been received that on 5/3/2012 from the length of B3330 Appley Road from its junction with Marlborough Road to Puckpool Hill it is intended to carry out road works to plane out old surfacing and replace with new and to carry out repairs as necessary.
