## 8. HIGHWAYS – BULLEN ROAD AREA

Mrs C. Nicholson of Bullen Road has been in email contact with IW Councillor Edward Giles and Highways Officer Kevin Burton together with IW and Town Councillor David Knowles regarding the increased speed of traffic in Bullen Road since resurfacing works . The speed limit is 40mph from Westridge to the sharp bend in Bullen Road, then 60mph and down to 30 mph at Pondwell. It is also claimed that the removal of

plants in Bullen Road has helped to increase the speed of vehicles exiting Cothey Way which is said to be used as a “ traffic rat run”. Mrs Nicholson and also Nettlestone Residents with IW Councillor Chris Barry have asked for a reduction in the speed limit in the section of Bullen Road near Westridge and it is understood that Kevin Burton has arranged traffic speed surveys to currently be undertaken.

Mrs Nicholson has asked Councillor Knowles if the Town Council can assist in this matter which is now placed before this Committee for consideration. There are clearly issues currently under consideration by Mr Burton and the Town Council has been asked to comment.
