## 10. REQUEST FOR GRIT BOXES

Mr D. Reynolds of Oakwood Road, Haylands has asked the Highways Department that “grit boxes” be supplied for use in icy weather at Grenville Drive and Oakwood Avenue. Highways have refused as they have to comply with a national government directive to reduce the use of salt but have said

that some local councils have been minded to supply, stock and maintain grit bins for the use of residents and in such circumstances they would licence such bins on the highway provided that safe locations could be identified. Mr Reynolds has asked that the boxes be provided and maintained for use in extreme conditions to help reduce the dangerous situation of an icy slope for cars and pedestrians.

**11. REQUEST FOR INCREASED RESTRICTION IN PLAYER STREET**

The Highways Traffic Management Section has informed the Town Council, for information, that a resident of Player Street has requested that the single yellow line in Player Street be replaced by a double line as there are problems with vehicles causing difficulties by parking after 6pm and on Sundays. This has caused minor vehicle damage, problems with turning into property and difficulties for the refuse vehicle. The Committee is asked if it wishes to comment to Highways on this suggestion.
