Bonfire and Incinerator Policy

- a) Bonfires are not permitted on any allotment site. Each tenant is permitted an incinerator to burn organic matter only.
- b) Incinerators to be supervised at all times.
- c) Incinerator burning to only occur between the times of 12pm to 6pm (April 1st – October 31st) & 12pm to 4pm (November 1st – March 31st)
- d) No material other than that produced on your plot is to be burnt on site.
- e) Only burn when suitable weather conditions permit to avoid causing a nuisance to local residents (wind drift etc.)
- f) Only organic matter such as wood, plant pruning's and dry vegetable matter to be burnt.
- g) Non-vegetable matter such as plastic, rubber, roofing felt or bitumen, carpet, etc. shall not be burnt. Flammable liquids shall not be burnt or used to light fires.
- h) Extinguish the fire before leaving the site - do not let the fire smoulder after you have gone.
- i) Only burn on your own plot, do not light fires for others.
- j) In the event of a reasonable complaint to the plot holder from another tenant, or a member of the public, with regard to a nuisance being caused the bonfire must be extinguished immediately.

Please Note: Any violation of times or conditions will lead to termination of tenancy.
