**151/22 MINUTES**

The minutes to the previous meeting held on 11 October 2022 were reviewed.

**RESOLVED:**

**THAT, the minutes to the meeting held on 11 October 2022 were agreed.**

**152/22 PLANNING APPLICATIONS**

The following planning application was considered by the committee:

Application No: [22/01797/HOU](#)

Parish(es): Ryde Ward(s): Binstead and Fishbourne

Location: 5 Stoneham Cottages, Cemetery Road, Binstead, Ryde, PO33 3RF

Proposal: Proposed two storey side extension; single storey rear extension alterations

The Committee was advised to consider the design of the side extension and whether it could be seen as being overbearing possibly having a detrimental effect on the neighbouring property.

There had been one objection from a member of the public at the time of the meeting who lived next door to the applicant raising various concerns around the intrusive nature of the extension as well as loss of light. There were also concerns raised around a possible increase in water discharge owing to the increased roof space in a region that had already been identified as a high-risk flooding area with draining systems at over capacity.

There had however been no objections submitted from any statutory consultees at the time of the meeting.

Members agreed that the proposed two-story extension was too overbearing, given the properties being at a higher level. This also gave weight to the concerns raised over the fears around potential excessive overflow of water due to extreme rainfall, something that the neighbouring property had experienced during the rainstorm of 25 July 2021.

Following a proposal, seconder, and a vote via a show of hands, the following was:

**RESOLVED:**

**THAT Ryde Town Council objects to the application on the following grounds:**

- i. The proposed development was of poor design and being a two-story extension was excessively overbearing, having a detrimental effect on the neighbouring property, leading to loss of light and an invasion of privacy.**
- ii. The proposed development, being at a higher level than the immediate neighbouring land, raises concerns of excessive overspill of rainwater into the neighbour's property.**

The following planning applications were considered under delegated powers by the Chair and the Place and Neighbourhoods Officer, and they proposed no objections:

## 2. APPLICATION REFUSED

*None*

### **RESOLVED:**

**THAT Ryde Town Council notes the decisions taken by the Isle of Wight Council since 11 October 2022.**

## **154/22 HIGH STREET HERITAGE ACTION ZONE (HSHAZ)**

At the previous meeting held on 11 October 2022, members raised concerns around the HSHAZ projects progress.

A discussion paper was therefore presented to members which highlighted the concerns raised.

It was noted that the paper circulated was not the final version as it did not have a recommendation for members to consider. It was therefore agreed that the full version would be located and sent to members of the committee following the meeting via email enabling them to consider and decide the next course of action.

Members were advised that the outcome would also be communicated to all members of Ryde Town Council at the meeting of Full Council on 7 November 2022.

#### **155/22 RYDE REGENERATION WORKING GROUP (RRWG) UPDATE**

Members noted the minutes of the RRGW Meeting held on 18 July 2022, which were approved at the meeting held on 24 October 2022.

At the meeting held on 24 October 2022, the Ryde Place Plan review / update was discussed as well as the Williams Sale Partnership (WSP) paper which was a report commissioned by the Isle of Wight Council to look at future options around the regeneration of Ryde Esplanade. The report was still in draft form and had not at the time of the meeting been made public.

Members continued to be disappointed that Ryde Town Council had not been involved in the reports content. Whilst the reports author had attended an online meeting with members of Ryde Town Councils Place Plan Review Group to outline some aspects of the draft paper, there had been no contact since.

It was therefore agreed that both the WSP Report author and the HSHAZ Project Manager be invited to a future Place, Neighbourhood and Planning Committee to provide an update on progress on both the WSP Esplanade report and the HSHAZ Project.

#### **156/22 PUBLIC REALM APPLICATIONS**

No applications had been received.

#### **157/22 DATE AND TIME OF NEXT MEETING**

##### **RESOLVED:**

**THAT the next meeting is held on Tuesday, 22 November 2022 in the Methodist Church, Garfield Road, Ryde at 7.00pm.**
