

Budget Ammendment

Detail: I put forward a proposal that the Armed Forces Day Committee be awarded a grant of up to £2,000 match funding in the 2025/26 budget.

The terms of this grant should be that the Armed Forces Day Committee seek financial contributions from all other town and parish councils on the island so that the funding of the event is shared island wide.

After consultation with the appropriate officers, there will be no requirement for the precept to be increased for this request
