

CLERK'S REPORT JULY 2025

Beach Accessibility

The beach accessibility scheme is now open and able to take bookings with all accessibility equipment now available to hire free of charge via <https://rydemarina.wpcomstaging.com/beach-hire-services/beach-accessibility-bookings/>

Beach Lifeguard and First Aid Service

The beach lifeguard service has commenced and will run every day until September.

There have been issues recently with people swimming outside of the lifeguarded area, in the entrance to the marina and the hovercraft station. New signs have been ordered and installed to remind people of the dangers of this. The lifeguards will also be patrolling this area reminding people of the safe swimming areas.

Pride

The summer events programme is up and running with Armed, Forces Day, Mardi Gras and Pride taking place since the last meeting and attracting crowds. A lot of work goes into organising these events which bring so much to community of Ryde RTC supports these events but most of the work is undertaken by volunteers and for this we are very grateful. The weekend of the 26 July will also see the Beach Sports Festival taking place at Appley Beach. Good Luck to all competitors.

Summer Activities

Ryde Town Council will be hosting free events for families on Eastern gardens, on Wednesdays, throughout August. Councillors are welcome to attend.
