

February 2019

Dear Resident / Occupier,

CARRIAGEWAY RECONSTRUCTION & RESURFACING WORKS IN PARK ROAD & STAR STREET, RYDE

We are writing to let you know about the carriageway works due to take place in your local area shortly, and to provide you with some information and guidance in relation to what will happen during the works, to enable you to plan accordingly.

Timing and Location of the Works

Park Road and Star Street, between High Street and Monkton Street, will be resurfaced during four day shifts in April 2019. **Due to the condition of the existing carriageway between George Street and Monkton Street, a full depth reconstruction is required at various locations in this section.** During the reconstruction period, a complete road closure will be in place between High Street and Monkton Street, due to the depth of the excavation, vehicle access will be completely restricted. The works will be undertaken in two phases. There will be no possibility of on-street parking where the reconstruction works are taking place. Access for emergency vehicles will be maintained.

The reconstruction works and restrictions are scheduled to commence on **Tuesday 19th March 2019** for approximately 13 days. The carriageway resurfacing works are scheduled to commence on Monday 8th April 2019 for 4 days.

*Please watch the on-site boards for confirmation/changes of the start date (example shown below)

Alterations/Updates

Please note, there are a variety of factors including inclement weather and emergency works that may affect the timing of works. The timeframe provided in this letter is as accurate as possible at the time of writing, but we will provide updates on the yellow information signs erected on site.

Pedestrian access

Pedestrian access to properties and businesses will remain open during the works.

In an emergency

We work closely with the emergency services to inform them of works taking place across the Island and will assist the emergency services to safely pass through the site, should they need to access the works area in the event of an emergency.

Disabled bays

If you regularly use a disabled bay within this section of road, you must contact us to let us know you still require this, otherwise the bay may not be remarked.

Access

If you would like assistance whilst Island Roads are working in your street, and you have a medical condition, a disability and/or a social care problem such as mobility problems or near-term pregnancy that may impact you or another using the footway and/or road please contact us, so arrangements can be made to assist you.

- Contact a member of the Island Roads team
- Help desk number: 01983 822440 (24 hours a day, 7 days a week)
- Email: info@islandroads.com

Parking/vehicle removal

To enable us to complete our work successfully and avoid any damage to vehicles, we would ask for your cooperation in removing your vehicle from the area before the start of the works and parking your vehicle outside of the road closure during the period of works.

We will unfortunately need to remove any vehicles that remain in the location of the road closure, and relocate them to a safe alternative location nearby, if they have not been removed prior to the works commencing. In these circumstances, you will need to locate your removed vehicle by contacting our help centre and providing them with your registration details. Please note that Island Roads have the authority to remove vehicles from the carriageway in these circumstances, and costs may be incurred to the registered keeper if a vehicle needs to be removed from the carriageway and relocated.

If you have off-street parking your vehicle may remain on your driveway or garage, provided you do not need to use the vehicle for the duration of the works. If you will require the use of your vehicle, we would ask you to relocate it to another area outside of the road closure prior to the works taking place, as access during the works will be restricted.

Waste collection

Domestic waste:

If these works coincide with your usual waste collection day, please ensure your waste is on the kerbside before 7am to enable its early collection.

Commercial waste:

If these works coincide with your usual arrangements for commercial waste collection please contact your service provider directly to make alternative arrangements with them.

For more information you can:

Call: Island Roads Help desk by telephoning: 01983 822440

Visit: Our Visitor Centre (address at the top of this letter). Monday to Friday 10:00 – 16:00 hours

View: Our website www.islandroads.com for more information about Island Roads and the services we provide and to view future planned works happening in your local area.

Talk: To our teams on site. We are committed to improving the Island's highways and the site team will be clearly identifiable during the works and happy to answer any questions you may have.

We recognise that these improvement works may cause some inconvenience for residents and businesses, but we hope any disruption will be offset by the long-term improvements we are making.

We would like to thank you in advance for your assistance in enabling us to complete these works.

Yours faithfully,

Island Roads
