**Update: Carriageway Works in Colenutts Road, Ryde**

Dear Resident,

We are writing to update you on the current carriageway resurfacing works at Colenutts Road, Ryde.

During the resurfacing works we have discovered a soft spot to the west of Pear Tree Close. Our resurfacing crew will demobilise from site at 18:00 as planned on Thursday 18<sup>th</sup> July. However, a closure from the west side of Colenutts Road to Pear Tree Close will remain in place until 18:00 on Wednesday 24<sup>th</sup> July while we carry out reconstruction works in this section in order to complete the scheme.

The closure will be a 24-hour closure including weekends. Therefore, there will be no vehicular access within this section for the duration of these works. Pedestrian footways will remain open.

Please be aware that our programme can be affected by various external influences. We do endeavour to keep to the allocated timeframe and while this letter is as accurate as possible at the time of writing, please take note of the advanced signage for any changes to dates.

We apologise for any inconvenience this has caused and appreciate your patience in this matter. If you would like to speak to someone directly, then please contact us on:
